

HAIR SYSTEM ESSENTIALS

HAIR CARE FORMULATED SPECIFICALLY FOR HAIR SYSTEMS

FEATURES

NO PARABENS, SULFATES OR SODIUM CHLORIDE. COLOR & STRAIGHTENER SAFE, UV & THERMAL PROTECTANT

ARGAN OIL SHAMPOO

Enriched with one of the world's rarest oils, Moroccan Argan Oil, this gentle hydrating cleanser adds moisture to the hair, while eliminating any dry or brittle feeling

ARGAN OIL CONDITIONER

Creamy and hydrating conditioner is infused with the finest Moroccan Argan Oil. Gently detangles and moisturizes without weighing hair down.

CLOUD LEAVE-IN CONDITIONER

A revolutionary leave-in conditioner that creates shine without weight. Strengthens smooths and detangles. Horsetail Extract adds shine, Aloe Extract soothes the scalp, and Green Tea Extract protects.

HOW TO SHAMPOO

Wet hair thoroughly with warm water, squeeze a small amount into the palm of the hand, and then massage through the hair. Rinse with cool water. Repeat if necessary. For best results, follow with HydraMoist Argan Oil Conditioner.

Shampoo your hair system only when needed. 1-2 times per week at most. Shampooing the system too much will make your hair dry.

HOW TO CONDITION

After shampooing your hair, begin to apply some conditioner on the hair then gently spread it out. Give it a few minutes to moisturize then rinse your hair. Try to keep the conditioner away from the base.

Conditioning your system daily will help to hydrate and strengthen the hair. We strongly recommend using a leave-in conditioner on a daily basis.

HOW TO DRY YOUR HAIR SYSTEM

Use a cotton fiber towel and pat dry the hair, never rub the hair with a towel. If you plan on using a blow dryer make sure to use the lowest heat setting.

HOW TO BRUSH YOUR HAIR SYSTEM

Brush hair from the back towards the front right out of the shower. Make sure no knots or tangles present. Now brush back and style as you desire
